Justification (Indicate reason for change)  The new title and description better reflects broad range of vehicles that are designed to operate within and outside the atmosphere.

Additional resources or resource shifting required. If none, please explain.
None: Changing the title of the course does not require any additional resources.

Attach a copy of new syllabus to add course or to modify course except for changes in prerequisites that involve letter grade or GPA.
Also, attach a copy of current syllabus for all changes except changes in prerequisites that involve letter grade or GPA.
No attachment required to delete course.
