Request to Change an Undergraduate Degree Program

Title: Fisheries and Allied Aquacultures

Curriculum Code: FISH College: Agriculture

Dept: Fisheries and Allied Aquacultures Date: February 27, 2008

1) List changes in degree requirements. If there are changes in course work outside offering
unit, please include copy of notification. (Attach an electronic copy of the current curriculum
model published in the most recent bulletin or contact Fawn Willis at willif2@auburn.edu for
a current copy. Indicate changes in Italics.)

Senior year, fall semester: Free elective have been increased from 1 two 2 credits

Senior year, spring semester: Direct Science electives (4 credits) have been changed to Free electives (3 credits)

Career track emphasis courses: four new courses have been added to the Fisheries Management track:

FORY 4500 Nat. Res. Law and Econ; FOWS 5050 Nat. Res. at Urban Inter; FORY 5310 Environmental Ethics;
WILD 5270 Wildlife Res. Phil. and Pol.

2) Proposed Curriculum Model. Identify MAJOR COURSES with the designation of M in
parentheses. To graduate, students are required to have a 2.0 average in all courses
attempted in the major. The curriculum must also provide for the University core curriculum,
the school or college core, if there is one. Hours counted in University core may not count in
minimum hours for major.

3) Provision must be made to accommodate 6 hours of ROTC. Programs must explain how
students fulfill the SACS oral communication and computer skills requirements. If changes
affect any of the aforementioned requirements, please indicate how they are accommodated
in proposed program.
4) Justification:
No one credit free elective was available so we have to increase it to two credits.
There was a mistake on the old curriculum, we intended to have only one Directed Science Elective course
during the Junior year, fall semester. We changed the Directed Science Elective course in Senior fall semester
back to Free Elective (as was always intended)
In order to be certified by the American Fisheries Society, our students need to complete at least six credits of h

5) Addition resources or resource shifting required. If none, please explain.
