Justification (Indicate reason for change)
Request is to increase from 1 to 3 credits. The increase will allow us to expose students enrolled in this pre-practicum course to additional material that is not being sufficiently covered in other courses. Additional function is to document ethics material for program accreditation and individual licensure eligibility.

Additional resources or resource shifting required. If none, please explain.
None. Course will continue to be taught by a current psychology faculty member.

Attach a copy of new syllabus to add course or to modify course except for changes in prerequisites that involve letter grade or GPA. Also, attach a copy of current syllabus for all changes except changes in prerequisites that involve letter grade or GPA.
No attachment required to delete course.
