     - Program Title: NUFS/Emphasis in Food Science
   - Program Type: Ph.D.
     - Program Title: NUFS/Emphasis in Food Science

Approvals

Department Head / Chair

College / School Curriculum Committee

College / School Dean

Dean of the Graduate School (for Graduate Courses)

Assoc. Provost for Undergraduate Studies (for Undergraduate Courses)
The departmental renaming request is for the Department of Nutrition and Food Science to be renamed Department of Nutrition, Dietetics and Hospitality Management. The Food Science option is moving from the College of Human Sciences (Department of Nutrition and Food Science) to the College of Agriculture (Department of Poultry Science). The request is a result of a strategic move to consolidate efforts in food safety, thus, moving the Food Science program. The program will become a formal part of the Department of Poultry Science.

The current Nutrition and Food Science Department also offers the following degree programs:
- B.S. in Nutrition and Food Science - Nutrition/Dietetics Option
- B.S. in Nutrition and Food Science – Nutrition Science Option (Pre-Health Professional)
- B. S. in Hotel and Restaurant Management
- M.S. in Nutrition and Food Science – emphasis in Nutrition or Hotel and Restaurant Management
- Ph.D. in Nutrition and Food Science – emphasis in Nutrition or Hotel and Restaurant Management

Therefore, the proposed name change of Nutrition, Dietetics and Hospitality Management is representative of the programmatic efforts in the department.
