In order to be in compliance with the new Enrollment Capacity Policy, the Hotel and Restaurant Management (HRMT) degree program and the Nutrition and Food Science (NUFS) degree program propose to make changes to the current internal transfer requirements and selected course prerequisite requirements.

Both degree programs (NUFS and HRMT) will delete the current GPA requirements for on-campus transfers into these programs. The HRMT program will delete the current 2.5 ungapped GPA requirement for internal transfer students to enter the HRMT degree program and replace the academic requirement with a minimum 2.0 gapped GPA (as required by the "good standing" policy). The NUFS program will delete the current 2.0 ungapped GPA requirement for internal transfer students and replace it with a minimum 2.0 gapped GPA. Therefore, on-campus students in good standing may enter either of the degree programs.

The HRMT degree program proposes to add the academic standard of earning at least a “C” in all required courses in the HRMT major. Students must earn a “C” or higher in all prerequisite courses in the major.

The HRMT program proposes to maintain a GPA prerequisite for the practicum course (HRMT 4860 Hospitality Practicum) and the internship course (HRMT 4920 Internship in Hospitality). However, the current prerequisite of a 2.2 ungapped GPA should be replaced with a 2.2 gapped GPA for HRMT 4860 and HRMT 4920.

Please see the attached course revision information for a detailed request for course prerequisite modifications in order to comply with the aforementioned changes and requests.
Department of Nutrition and Food Science (Hotel and Restaurant Management Program)
Course Revision Request

Delete prerequisite of 2.2 ungapped GPA from the following courses and replace with 2.2 gapped GPA:

HRMT 4920: Internship in Hospitality
HRMT 4860: Hospitality Practicum

Add the academic standard of earning at least a “C” in all required courses in the HRMT major. (Students must earn a “C” or higher in all prerequisite courses in the major). The HRMT major courses include:
