Revision Of Undergraduate And Graduate Programs

Format For Review By University Curriculum Committee (UCC) and Graduate Council.

1. Proposing College / School: College of Liberal Arts
   Department: Foreign Languages and Lit.

2. Title of Affected Program: Asian Studies Minor

3. CIP Code of Affected Program: [ ]
   (If applicable)

4. Proposed Implementation Date: 1/1/2012

5. Justification:
   (Include a concise, yet adequate rationale for the revision of the program, citing accreditation, assessments (faculty, graduate, and/or external) where applicable.)

   We are proposing that students not be required to complete 12 hours of credits at the 3000 level or above. Currently, the Asian Studies courses that are offered at Auburn each semester are quite limited. Of the courses that are available, several courses such as HIST 2110 and PHIL 1060 are below the 3000 level. By making this change to the curriculum, we hope to ensure that students will have a wider selection of courses they can choose from, and also that they will be able to complete the minor within a reasonable time frame.

6. Current Degree Requirements (Including All Formal Options):
   (Provide the current curriculum model for the program, as well as for each formal option.)

   15 semester hours in minor (minimum 12 hours at 3000-level or above).

7. Proposed Degree Requirements (Including All Formal Options):
   (Provide the proposed curriculum model for the program, as well as for each formal option.)

   15 semester hours in minor. 12 credit hours of Asian culture courses selected from the following list: FLCN and FLIP 3000 and above, HIST 2110 (Survey of Asian History), HIST 5660 (History of Modern China), HIST 3970 (Korea and Vietnam Wars), PHIL 1060 (Philosophy East and West), ANTH 3000 (Culture, Marriage, and Family), FLAS 3450 (Race, Ethnicity, and Gender in Transcultural Asia), and RELG 3330 (Eastern Religions).

8. New Courses Required:
   (Indicate which courses -- if any -- are part of the curriculum that are not currently offered.)

   All of the courses in the above list are currently offered at Auburn.
9. Relationship of Proposed Program to Other Auburn University Programs:
(If the proposed program revision affects any other unit and/or covers material offered by another college/school, attach correspondence with relevant unit.)

Will the program revision affect other program(s) and/or units at Auburn University? ☐ Yes ☐ No

Will the program revision replace any existing program(s), or specializations / options / concentrations within existing program(s) at Auburn University? ☐ Yes ☐ No

10. New or Additional Resources / Resource Shifting Required:
(If "yes" for any item, please provide explanation in the space provided below.)

Will additional faculty lines be required? ☐ Yes ☐ No

Will new or additional space (e.g.: laboratory or classroom) be required? ☐ Yes ☐ No

Will additional library resources be required? ☐ Yes ☐ No

Will additional GTA support be required? ☐ Yes ☐ No

Explanation of or provision for new or additional resources / explanation of program's support or replacement of other programs:

N/A

11. Distance Education:
(If Distance Education will be incorporated in the delivery of the proposed program, provide details of implementation, scope, etc.)

N/A
