RE: Pre-requisite corrections for music courses in Banner

As per curriculum forms previously approved by UCC, the Bachelor of Arts in Music (8/18/2011), the Bachelor of Music (8/18/2011), the Music Minor (9/15/2011), and the BFA in Musical Theatre (2/23/2012) require C grades in music classes. Current prerequisite listings in Banner indicate a grade of D only is required. Please change the Banner listings to reflect the BM, BA, music minor, and BFA C grade requirement for prerequisites as listed below for each course. Note that music education students also must take some of these courses, but their requirement is D rather than C.
