RE:       Revised prerequisites for JRNL courses

DATE:     11/5/12

The Journalism Program would like permission to provide the following list of JRNL classes with the revised prerequisites below instead of submitting a separate form for each course. We would like to **remove** CMJN 2100: Concepts in Communication and Journalism from JRNL 2210: Newswriting because it is creating a bottleneck for journalism and public relations students who need to enroll in JRNL 2210. CMJN 2100 has been added as a prerequisite for all of our required 3000- and 4000-level courses.

To be clear, we only want to **remove** CMJN 2100 as a prerequisite for JRNL 2210 and **add** it as it prerequisite on all of the courses listed below. There are no other prerequisite changes in the courses below.

These prerequisites would be effective Fall 2013.
