Hi Jennifer,
Can I get a written response that it is OK for us to add COM 1000 to GSHS? An email is fine, but I was told that the curriculum committee will want to see it.
Thanks so much,
Kate

Hi Jennifer,
I am in charge of our new Global Studies in Human Sciences major that launches next year. We are seeking to meet our SL07 requirement by adding COM 1000 to our major. Can I meet with you in the near future to discuss this possibility?

Hello Dr. Hubbard,

As the course director for COMM 1000, Introduction to Public Speaking, I was given your name by Dr. Relihan to contact regarding the needs of your department/majors in relation to COMM 1000. We have recently undergone a leadership change in our school, as well as our college, and it is clear to us that many programs are still having a hard time with SLO7 and might be in need of allowing their majors to take COMM 1000. If any of your programs in Human Sciences fit this category, I would be happy to meet with you regarding those needs. Unfortunately, I’m pretty swamped until the Monday after spring break, but have some time at 2 pm and then later again at 4:30 pm on March 17. We could also communicate by e-mail to speed things along if this is something that is an immediate need for your college.

Best,
Jennifer

We are proposing to add two existing minor options to the Global Studies in Human Sciences B.S. degree program: Public Health (College of Veterinary Medicine) and Global Cultures (College of Liberal Arts). When the Global Studies in Human Sciences programs were first initiated, these minors did not exist on the AU campus. Hello Dr. Bradbard;

The AU-CVM would be honored to have our Public Health (PH) minor added to the list of 'approved minors' for the 'Global Studies in Human Sciences' curriculum. I have copied this note to Drs. Ostrowski and Wright, who now coordinate our PH minor, as well as to Dr. Ron Hughean (retired), the 'founder' of the PH minor, and to both Deans Calvin Johnson (AU-CVM) and June Henten, for their information. A link to the web page for the PH minor is included below.

We look forward to working with you and to have the PH minor woven into the 'Global Studies' curriculum.

Best wishes,

- F.F. 'Skip' Bartol

Subject: Question

As you may know, the Global Studies in Human Sciences undergraduate curriculum will begin in Fall, 2014. Currently, students in this curriculum are required to take a minor in a related area. I would like to add your minor in Public Health to our list of approved minors. Do you have any objections to this? Currently, our options include Business, Human Development and Family Studies, Philanthropy and Non-Profit Studies, Hunger Studies and Sustainability. I will look forward to hearing from you.

Marilyn Bradbard
Thanks, this information helps. I do not have any objections for you to include Global Cultures as an option for a minor.

Subject: RE: Question

For ACHE we projected that we would be taking about 10 students a year over the next five years. Of course, they will have the option of taking a minor in Business, Sustainability, Human Development and Family Studies, Hunger Studies, and Philanthropy and Non-Profit Studies. When I make the curriculum change request, I also am going to add the Public Health minor. So, to answer your question, if we have 10 students in the next five years and the choice of 7 minors (including yours), I project there would be no more than 7 students per year taking your minor 3-5 years from now. Sorry I can't be more specific, but with 7 choices, I do not think you will be overwhelmed,
