

University Curriculum Committee (UCC)

Thursday, August 26, 2010; 3:30 p.m.
Samford Hall

MEETING ITEMS

College of Education

- **BS in Early Childhood Education Special Education**
 - o Form: Revise Existing Program
 - o Supporting Documentation: Curriculum Model (Current)
 - o Supporting Documentation: Curriculum Model (Proposed)
- **BS in Rehabilitation and Disability Studies**
 - o Form: Revise Existing Program

Samuel Ginn College of Engineering

- **BSEN 3230** – Natural Resource Conservation Engineering
 - o Form: Revise Existing Course(s)
- **BSEN 3240** – Process Engineering in Biosystems
 - o Form: Revise Existing Course(s)
- **BSEN 3610** – Instrumentation and Controls for Biological Systems
 - o Form: Revise Existing Course(s)
- **BSEN 4210** – Irrigation System Design
 - o Form: Revise Existing Course(s)
- **BSEN 4510** – Ecological Engineering
 - o Form: Revise Existing Course(s)
- **BSEN 4560** – Site Design for Biosystems
 - o Form: Revise Existing Course(s)
- **BSEN 5220 / 6220** – Geospatial Technologies in Biosystems
 - o Form: Revise Existing Course(s)
- **MECH 4420** – Vehicle Dynamics
 - o Form: Revise Existing Course(s)
- **PFEN 3200** – Polymer Processing
 - o Form: Revise Existing Course(s)
- **PFEN 3400** – Fundamentals of Coloration
 - o Form: Revise Existing Course(s)
- **PFEN 4100** – Polymer Characterization
 - o Form: Revise Existing Course(s)
- **PFEN 4400** – Mechanics of Flexible Structures
 - o Form: Revise Existing Course(s)
- **PFEN 4500** – Fiber Reinforced Materials
 - o Form: Revise Existing Course(s)
- **Bachelor of Biosystems Engineering - Biosystems Engineering Option**
 - o Form: Revise Existing Program
 - o Supporting Documentation: Curriculum Model (Current)
 - o Supporting Documentation: Curriculum Model (Proposed)
- **Bachelor of Biosystems Engineering - Ecological Engineering Option**
 - o Form: Revise Existing Program
 - o Supporting Documentation: Curriculum Model (Current)
 - o Supporting Documentation: Curriculum Model (Proposed)
- **Bachelor of Biosystems Engineering - Forestry Engineering Option**
 - o Form: Revise Existing Program

- Supporting Documentation: Curriculum Model (Current)
- Supporting Documentation: Curriculum Model (Proposed)
- **BS in Materials Engineering**
 - Form: Revise Existing Program
 - Supporting Documentation: Curriculum Model (Current)
 - Supporting Documentation: Curriculum Model (Proposed)

College of Human Sciences

- **HUSC 3383** – Study Abroad Opportunities in Human Sciences
 - Form: Add New Course(s)

College of Liberal Arts

- **POLI 4340** – Contemporary Political Theory
 - Form: Revise Existing Course(s)

College of Veterinary Medicine

- **VBMS 2100** – Introduction to Public Health
 - Form: Add New Course(s)
- **VBMS 3010** – Introduction to Epidemiology
 - Form: Add New Course(s)
